

CHIAMAKA UYANNA

FRONTEND WEB DEVELOPER

[in LinkedIn](#) | [+2348100802635](#) | [✉ chiamakauyanna@gmail.com](#) | [Github link](#)

PROFESSIONAL SUMMARY

Frontend web developer with 4 years of experience creating responsive and dynamic web applications, eager to contribute to and grow within dynamic teams. Adaptable and solution-oriented, thrives in collaborative environments and is always ready to tackle new challenges

SKILLS

Front End: HTML5 | CSS3 | JavaScript | Typescript | React.js | Next.js

Back End: Python | Django | PostgreSQL | Node.js

Tools: Git | Github | Figma

WORK EXPERIENCE

Topicaltest Limited

Frontend Developer (Contract)

2024 – 2025

Topicaltest Limited develops educational web platforms and exam preparation tools, enhancing accessibility and learning outcomes for students worldwide.

Technologies: Next.js, WordPress, JavaScript, CSS3

- Engineered educational web platforms and exam preparation tools utilizing Next.js and WordPress, enhancing user engagement by 30%.
- Introduced innovative UI features, resulting in a 25% increase in user satisfaction scores based on feedback surveys.
- Optimized website performance, achieving a 40% reduction in load times and significantly improving mobile responsiveness.
- Collaborated with cross-functional remote teams to implement design updates, ensuring timely delivery of agile sprint goals.
- Conducted code reviews and provided mentorship to junior developers, fostering a culture of continuous improvement and knowledge sharing.

Frontend Developer (Freelance / Project-Based)

2021 – 2023

Technologies: HTML5, CSS3, JavaScript, React.js, Next.js, Git

- Designed and developed responsive, user-focused web interfaces for personal and client projects using React and Next.js.
- Converted Figma and design mockups into pixel-accurate, reusable UI components following modern frontend best practices.
- Implemented client-side logic and API integrations to create dynamic, interactive user experiences.
- Improved accessibility, SEO, and cross-browser compatibility across multiple projects.
- Managed version control and deployments using Git and GitHub, ensuring clean commit history and stable releases.

EDUCATION

Ahmadu Bello University, Zaria, Nigeria

PROJECTS

StackTrack

Full-Stack Web Developer

09/2025 - Present

Developed StackTrack, a personal project management platform that helps users efficiently track projects, stages, and tasks, with real-time analytics for informed decision-making.

- Built a responsive and interactive front-end using React, Tailwind CSS, and Framer Motion.
- Engineered a scalable Django back-end with PostgreSQL, implementing robust APIs for project, stage, and task management, as well as analytics reporting.
- Designed the platform with future team collaboration in mind, ensuring clean architecture and extensibility for upcoming features.

Developed Pollify, an interactive polling platform with real-time analytics.

- Built a responsive front-end with React, Next.js, and Tailwind CSS for seamless poll creation and voting.
- Engineered a Django REST back-end with PostgreSQL, managing polls, users, and analytics.
- Implemented real-time results visualization, enabling fast, data-driven decisions.
